26th May 2010

On Wednesday 26 May 2010 Magnox North and Magnox South will host an event for existing and potential suppliers. The event starts at 10am and will be held at The Park Royal Hotel, Warrington.

The theme of the event is '**Frameworks and Collaborative Procurements**' and participants will be given an opportunity to hear about the Magnox supply chain engagement strategy and forthcoming procurement opportunities as well as being able to participate in one to one discussions during 'meet the buyer' sessions.

Demand to attend the event is expected to be high and places will therefore be allocated on a first come first served basis and attendance limited to one delegate per organisation.
